Course Description

The Catechesis of the Good Shepherd is a Christian formation program for children 3-12 years old in which a trained adult helps awaken children to their personal response to God. It seeks to create and facilitate a sacred, "hands-on" space for children called an atrium in which both the child and the adult can hear, ponder, and celebrate the most essential mysteries of the Christian faith as revealed in the Scriptures and Liturgy.

This approach to Christian formation began in 1954 when Sofia Cavalletti, a scripture scholar, and Gianna Gobbi, a Montessori educator, founded the Good Shepherd Atrium in Rome, Italy. For 60 years the program has spread through parishes and schools of different denominations around the world.

This year's course will deepen both the participant's spiritual experience with God's grace and his /her understanding of scripture and liturgy while also while also concretely preparing the participant to develop and facilitate an atrium for 3-6 year old children.

Course Objectives

- † to offer meditation on scripture and education in church liturgy.
- † to deepen personal relationship with Christ.
- † to offer guidelines and assistance for creating a prayer space for 3-6 year olds, preparing an album of presentations, and making materials which introduce children to God and the church.
- † to explore the religious nature, the most vital religious needs and the developmental characteristics of the 3-6 year old child.
- † to broaden the adult's ability to observe the children, to listen with children to scripture, and to deepen our enjoyment of God's presence.
